CNC TUBE BENDER

CNC WIRE BENDER

WIRE STRAIGHT AND CUT

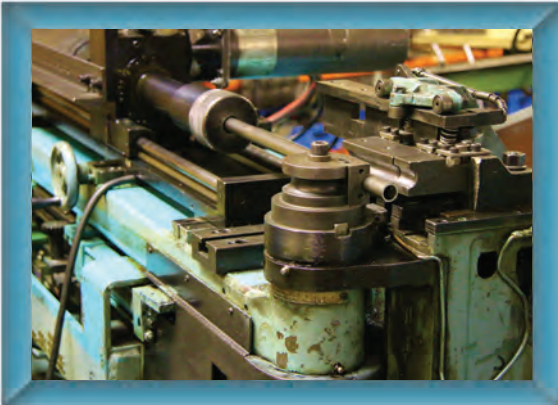

OUR FACILITY

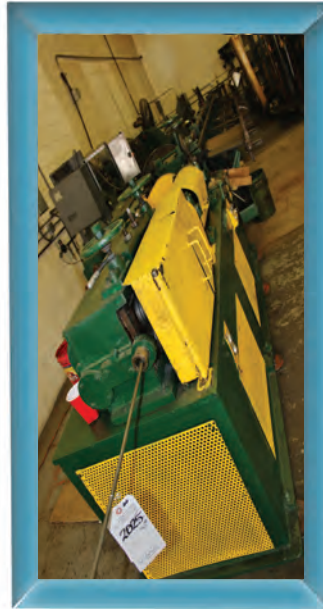

CNC TUBE BENDER

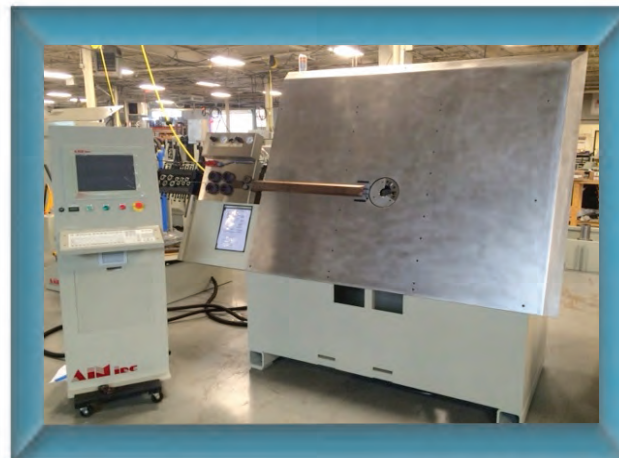

We have 2 CNC Tube Benders Machines capable of forming tubes 1/4" to 2" pipe. We have 3 manual Pines Benders that will bend 1/4" to 2 1/2" tubes. We have 2 custom built benders for special jobs.

WIRE STRAIGHT AND CUT MACHINE

We have 4 Straight & Cut Machines that will straighten and cut carbon wire from .062" to .5" and .062" to .375" stainless steel wire.

OUR FACILITY

Our facility was established in 1999. Owners are Eugene Pease Vice President/Engineering. Steve Colligan President, Chuck Colligan Vice President/Sales Manager. Our specialty is custom manufacturing in metal tube bending and wire forming. We also help with stamping assembly, assisting in design, and manufacturing.

We are committed to providing quality products, with on time delivery, and customer satisfaction **PURE MICHIGAN**
